It has been my honor and privilege to serve you since January 1st. Together, we have worked side by side for the betterment of the 4th Ward and the City of Tonawanda.

I pledge to continue to *Connect* the community with the council, maintain lines of communication and keep my constituents informed on matters within our beloved city.

This newsletter and the newly created *Council on Your Corner* are just two ways I have tried to fulfill this pledge. To find more information on the *Council on Your Corner* informal town hall meetings, see the Buffalo News, the Tonawanda News, the Metro Source and Facebook postings.
