Announcing!

It is with tremendous excitement I announce my candidacy for *Council President in the City of Tonawanda*. My heart belongs to the 4.1 square miles many of us proudly call home.

Over the past 15 months, we have made incredible strides and progress with moving the City of Tonawanda in the right direction. I have been extremely proud to represent the residents of the 4th ward and would be humbled to have your trust, support and confidence in this city-wide campaign.

Can't wait to visit you in the neighborhood! Thank you!

Tonawanda Proud

Tonawanda Dance Arts,
368 Hinds Street, est. 1996
716-694-3878
tonawandadancearts.com

Tonawanda Dance Arts, under the direction of Melanie Boniszewski, has 10 additional employees. They currently offer dance lessons to children two years old through adult. They offer classes in tap, jazz, ballet, acrobatics, cheer dance, musical theatre, hip hop, lyrical, contemporary and modern. They also offer Zumba classes for adults. They have a specialized preschool program and classes for two years olds, which are extremely popular. Their summer camps are at the top of the activity list for many families.

Tonawanda Dance Arts is the first dance studio in New York State to be awarded the *More Than Just Great Dancing* affiliation. This organization, who has affiliates throughout the world, recently awarded it's director, Miss Melanie, the *Positive Action Award*. They are committed to providing the best possible dance education to their students as well as top notch customer service to all of their clients.

Tonawanda Dance Arts has performed at WDW twice and marched in the Canal Fest parade each summer. In 2014, they started holding free dance camps for the children in the community.

Canal clean up took place April 18th.
Nearly 70 bags of garbage was collected at
Gateway Park.

A special
thank you to
all the
volunteers
who helped
beautify our

city. You are appreciated!
